Exam Information, guidance and hints

Command words:

Henry Section

Describe a key feature (2) - state something about it and add a fine detail

Explain why (12) - you need two separate reasons in two separate paragraphs - you also need to add 3 separate pieces of historical evidence.

Link the information to the question with phrases like - this led to. This resulted in.. this caused

How far do you agree (16) - this requires you to decide if you agree - I agree / I disagree - explain with evidence your view in one paragraph.

Write a second paragraph saying why some people may hold the other view. Some people may disagree with me and

Then in your third paragraph convince the reader why your view is stronger . My view is stronger because..

Conflict in the Middle East

Explain one consequence of (4) - state a consequence (can be good or bad) and use facts to explain how it is the result of the factor in the question

Write a narrative account (8) - need to say what happened in the event in 3 paragraphs - cause, main events, outcome. You need to link these using words like - this led to, this caused. You also need to try to place this in the content of what's happening at the time. It must be written in chronological order

Importance question (8) - needs two paragraphs with a separate importance in each one. Need to start with Was important for Because.

Add facts to support your view
